

Report of the CME – ‘Decision Making in Refractive Surgery’ Hosted by Jyothi, The Lasik Vision Centre under the Aegis of Bangalore Ophthalmic Society on 26-08-2012 at the Auditorium of Jyothi Lasik Vision Centre, Bangalore

Jyothi lasik vision center hosted a CME programme at the center’s premises on 26- 8 – 2012. The half day programme was focused on Excimer laser refractive surgery and keraoconus. Dr Ramamurthy, Director, The Eye Foundation, Coimbatore. Spoke about “ Choosing the right refractive procedure”. This was a systematic analysis of clinical and diagnostic tests to choose the right procedure for each patient. He also spoke about keratoconus from a refractive surgeon’s point of view.

Other speakers were Dr MS Ravindra who spoke about Q value and lasik in presbyopia. Dr Vinay Murthy summed up the results of corneal collagen crosslinking in literature and from his own experience.

Several interesting cases were presented and discussed by a panel of doctors including Dr Vidyashankar, Dr Elan kumar, and the Faculty of Jyothi Lasik Center . A presentation on the art of counseling a patient with videos of a good communicator in comparison to an infiffernt ine was appreciated by all. Live demonstration of lasik and epilasik surgery by Dr Somnath and Dr Jyothi complemented the discussions.
