PG Update for Postgraduates in Ophthalmology

Eminent Faculty from Sankara Eye Foundation, India & postgraduate teachers from across Southern India would share their expertise with the delegates.

Dear Post Graduate,

Warm greetings from Sankara Eye Hospital, Bengaluru.

We have great pleasure in inviting you to the "3rd eye - Postgraduate Update in Ophthalmology", scheduled between the 9th and 11th January ,2015.

This is the 6th continuous year we are hosting this update, with the theme this year being, "CURRENT OPTIONS IN TREATMENT ARENA IN OPHTHALMOLOGY".

Eminent faculty from leading postgraduate training institutions across Karnataka and Southern India would help you comprehend diagnostic and treatment of most common eye conditions. The update is structured in an interactive format with interactive sessions, video based lectures and hands on sessions and a mock examination.

A unique aspect of the programme would be a Surgical Wet Lab.

We would be conducting this update under the aegis of the Bangalore Ophthalmic Society and the Karnataka Ophthalmic Society.

Looking forward for your participation.

Regards

Dr. Sowmya R

Consultant, Paediatric Ophthalmology and Strabismus
