

Dear Colleagues,

It gives us great pleasure to invite you for our next **ROPE CME (Remodelling Ophthalmic Postgraduate & Professional Education)**, **“DECODING DIAGNOSTIC MODALITIES- A Practical Experience”**, to be held on **25 March, Sunday, 2012** at our institute, Narayana Nethralaya, Rajajinagar between 9 am - 5 pm.

The highlight of this CME will be the **“GIANT WHEEL OF KNOWLEDGE”**. IT involves hands-on experience on the various diagnostic tools. There will be NO didactic lectures in this session. Multiple stations manned by our very experienced specialists will be there, who will explain the principles, procedure and interpretation of these tools. The participants will be rotated through these stations.

We look forward to your enthusiastic participation in our academic endeavour.

Thanking you,
ROPE TEAM
