

Transforming Retinal Surgeries Using Emerging Innovations

Surgery in "TRUE" Dimension

24th & 25th May 2014
Vivanta by Taj, Yeshwantpur, Bangalore

4 CME Credit Hours

Awarded by the Karnataka Medical Council

PROGRAM SCHEDULE

Under the aegis of Karnataka Ophthalmic Society & Bangalore Ophthalmic Society

SATURDAY: March 24th, 2014

8:00 am - 9.00 am

Registration

**Session 1 - 9:00 am - 1:00 pm - The art and science of retinal diagnostics
(Hands On) (40 min Each)**

Indirect ophthalmoscopy and laser application

Dr Sherine Braganza, Dr Santosh GK, Dr Mohsina Mehkri

B scan and SDOCT

Dr Priya BV, Dr Padma Malilni

FFA and ICG

Dr Subhashchandra HD, Dr Venkatesh Kadri

Electrophysiology

Dr Rajani Battu, Dr Ashwin Mallipatna

**Retcam, Bioptigen, microperimetry, oxymetry
and Adaptive Optics**

Dr Anand Vinekar, Dr Supriya Dabir,
Dr Chaitra Jayadev

Minimally invasive vitreous surgery

Dr Naresh kumar Yadav, Dr Naveen Kumar Naik

1:00 pm - 2.00 pm

Lunch

Session 2 - 2:00pm - 4:00 pm - Retina for the comprehensive ophthalmologist

Chairman- Dr Joshi

The new age antidote - anti VEGFs

Dr Santosh GK (2:00 pm - 02:20 pm)

**Newer developments in laser technology and
delivery systems**

Dr Priya BV (2:20 pm - 2:40 pm)

The cutting edge in retinal imaging

Dr Supriya Dabir (2:40 pm - 3:00 pm)

The overview on pathological myopia

Dr Chaitra Jayadev (3:00 pm - 3:20 pm)

Management of retinal vein occlusions

Dr Rajani Battu (3:20 pm - 3:40 pm)

Management of CNVM secondary to ARMD

Dr Venkatesh Kadri (3:40 pm - 4:00 pm)

4:00 pm - 4.30 pm

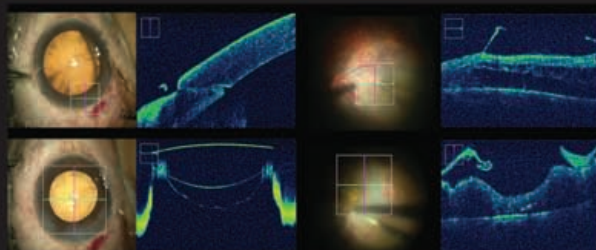

Tea Break

Highlight of
the CME

Introducing for the first time in Asia

Microscope integrated OCT

- Real-time OCT visualization of vitreoretinal and anterior segment surgeries
- High-resolution imaging
- Improved surgeon control and reproducibility

Session 3 - 4:30 pm - 6:00 pm

Chairman - Dr Krishna Rao

Newer paradigms in the management of diabetic macular edema

Dr Naresh Kumar Yadav (4:30 pm - 4:50 pm)

Posterior segment complications of cataract surgery

Dr Subhashchandra HD (4:50 pm - 5:10 pm)

Medical management of exogenous endophthalmitis

Dr Sherine Braganza (5:10 pm - 5:25 pm)

Common uveitic entities and its management

Dr Ankush Kawali (05:25 pm - 05:45 pm)

Faculty Dinner

SUNDAY: March 25th, 2014

7:15 am - 8.45 am

Breakfast with the experts

Session 1 - 9:00 am - 10:15 am

Scleral buckling in the era of vitrectomy

Dr Ajay Aurora (09:00 am - 09:15 am)

MIVS - Tips and Tricks

Dr Preetam Samant (09:15 am - 09:30)

Translating research into practice

Dr Supriya Dabir (09:30 am - 9:45 am)

3D Video Session (30 min)

Moderator - Dr Rajani Battu; Panelist - Dr Hemanth Murthy

10:15 am - 10.30 am

Tea Break

Session 2 -10:30 am - 12:45 pm

Pneumatic retinopexy

Dr N S Muralidhar (10:30 am - 10:45 am)

Vitrectomy for simple rhegmetogenous RD

Dr Gopal Pillai (10:45 am - 11:05 am)

Vitrectomy for giant retinal tear

Dr Lingam Gopal (11:05 am - 11: 25 am)

Vitrectomy for complex RD

Dr Rajiv Reddy (11:25 am - 11: 45 am)

RD with retinochoroidal coloboma

Dr Lingam Gopal (11:45 am - 12:05 pm)

3D Video Session (30 min)

Moderator - Dr Naresh Kumar Yadav; Panelists - Dr Pravin Murthy, Dr Raju Sampangi

12:45 pm - 1.45 pm

Lunch

Session 3 - 1:45 pm - 315 pm

Surgery for macular hole

Dr Anand Rajendran (1:45 pm - 2:00 pm)

Surgery for ERM and VMT

Dr Naresh Kumar Yadav (2:00 pm - 2:15 pm)

Surgery for myopic foveoschisis & RD with macular hole

Dr Naresh Kumar Yadav (2:15 pm - 2:30 pm)

MIVS in diabetic tractional detachment

Dr Mahesh P Shanmugam (2:30 pm - 2:45 pm)

3D Video Session (30 min)

Moderator - Dr Supriya Dabir; Panelists - Dr Kalpana BN, Dr Sri Bhargava

3:15 pm - 3:45 pm

Tea Break

Session 4 - 3:45 pm - 6:00 pm

Surgery for retinopathy of prematurity

Dr Pramod Bhende (03:45 pm - 04:05 pm)

Management of intraocular foreign body

Dr Guruprasad A (04:05 pm - 04:25 pm)

Scleral fixated intraocular lens

Dr Naveen Kumar Naik (04:25 pm - 04:55 pm)

Vitrectomy for endophthalmitis

Dr Rupak Kanti Biswas (04:55 pm - 05:15 pm)

3D Video Session (30 min)

Moderator - Dr. Subhashchandra H D; Panelists - Dr Nitin Shetty, Dr Sunil G

Vote of Thanks

The CME credit certificates will be issued after Vote of thanks.

CME credits will be applicable for Pre registered delegates only.

Greetings from Narayana Nethralaya!

It gives us immense pleasure to invite you to TRUE-D, a 3D video based surgicon, on 24th and 25th May, 2014, at the Vivanta By Taj, Bangalore.

On the first day we will have a hands-on workshop on common and latest imaging modalities, video based discussions of retinal procedures and interesting case discussions

On the second day we will have a 3D/HD video based skill transfer of common surgeries as well as unusual scenarios and operating room theatrics.

Our faculty includes esteemed speakers from all over the country and your august presence will indeed contribute to making this event a success.

It gives us great pleasure to present to you the ticket to TRUE-D and look forward to seeing you soon.

Regards, Team TRUE-D

Before May 15th: Trainees (Fellows /Resident): Rs 1000/-; Others 1500/-**

After May 15th : Trainees: Rs 1500/-; Others : Rs 2000/-**

Spot Registration : Rs 3000/-
